

**Center of Excellence  
Computational Mathematics  
Faculty of Mathematical Sciences  
Sharif University of Technology  
Tehran, Iran  
2008**

**Objectives:** Maintaining and promoting a high level of scientific standards in educational and research activities relating to Computational Mathematics.

**Means:** Establishment of post-doctoral programs, educating competitive graduate students to achieve high quality research results leading to Ph.D. degrees in Computational Mathematics, introduction of new programs of graduate studies (specially inter-disciplinary programs), extending and expanding international scientific cooperations.

**Members:**

<b>Akbari, Saeed</b>	<b>Professor (Algebra &amp; Graph Theory)</b>
<b>Ardeshir, Mohammad</b>	<b>Professor (Logic)</b> <a href="http://sina.sharif.edu/~mardeshir">http://sina.sharif.edu/~mardeshir</a>
